Dear Friends of the Creation Museum

We sincerely hope the museum has been an inspiration and faith-strengthening resource for you and your family. Your partnership is a tremendous encouragement to us as we strive to provide solid, biblical answers and hope to a culture indoctrinated by evolutionary propaganda.

As our way of saying thank you, we are offering all NEW members several NEW incentives including a museum t shirt, the Biblical Artifacts DVD, reserved event seating and discounts on our Creation Field tours to Grand Canyon and Borrego Springs!

Your membership contribution will help support ongoing museum expansion and a variety of exciting community outreach events. It bolsters the effectiveness of events like Museum Day where this past year we had over 4,000 visitors for the unveiling of the 12 NEW kids interactive knee high exhibits. Whatever the project or event, you can be assured that we will remain steadfast in glorifying our Creator and spreading the Gospel of Jesus Christ!

We encourage you to partnering with us and sign up today by completing the linked membership form. If you prefer to renew by phone, you can call 619-599-1104.

Thanks again for your encouraging support and we look forward to forward to seeing you in 2014!

Sincerely,

Jayson Payne  
Curator, Creation & Earth History Museum
